

Global Scholars Fellowship Program

Join GLI's Global Scholars Fellowship Program!

Become part of a **unique community** across US & East Africa interested in learning about International Community Development, Research & Cross-Cultural Exchange!

GSFP is an intensive, interactive, rigorous academic program for scholars who are highly motivated and eager to build **international experience** on a remote-basis! Students are welcome to apply for independent study credits through their own universities as needed, and GLI will support participants needing to complete a capstone, internship or independent study.

What to expect from the GSFP?

- Daily lecture series & discussions with key community development **leaders from US & East Africa**;
- Collaborative Research projects with multi-disciplinary focus;
- Remote mentoring & advisory support throughout;
- Participation with Uganda/US led team to advance academic goals & research efforts.

\$350 Program fee includes all lectures, curriculum, mentoring, & any additional support to participants related to the program. GLI also offers needs-based scholarships to a limited number of applicants.
